**Notice: Dates Changed for College Weekends**

College Parents weekends are always busy! In fact, Brewster House is usually booked at least a year in advance. Many parents have commented to us that they wish the three nearby colleges, Bates, Bowdoin and Colby, would have these events on separate weekends.

Apparently the colleges listened, because for 2007 they are all on different weekends:

**Bates: Sept. 28-30, 2007**

**Bowdoin: Oct. 26-28, 2007**

**Colby: Oct. 12-14, 2007**

If you have booked for Parents Weekend 2007, please confirm the dates with us, so that we both know what dates you are planning to be here, and also any unbooked rooms will be available for other parents. **BH**

**New Frequent Guest Program and Specials Start the New Year**

*Time to Make Plans for 2007*

**W**e're starting off 2007 with some exciting news - several new specials for the coming months, and, most exciting of all, a new Frequent Guest Program, called "*The Jarvis Club*", after Jarvis Brewster, the man who built Brewster House in the 1880's.

**Here's how the Jarvis Club works:**

1. Enroll in the program. You can do that by simply filling out a short form the next time you stay at Brewster House.
2. Stay two or more qualifying nights. Qualifying nights are two or more consecutive nights that are at normal seasonal rates, and no part of the rate is paid by gift certificates or coupons. Some stays that are part of a package will qualify, some will not, depending on the discount offered. We'll let you know if a package stay qualifies.
3. That's it! You'll receive a coupon for a \$20 discount on a future stay. Use it to reduce the cost of your next stay, purchase items in our gift shop, give it as a gift, or save them up for a free night.

More details are available on our web site!

**Spring Specials are already available!** We are offering several Spring specials to get you started on your 2007 vacation plans. Our **Superbowl Special** is a chance for the guys (or whoever it is that watches the game) to enjoy it at Brewster House, along with plenty of pizza, while those that don't want to watch the game can stroll down Main Street and enjoy the shopping. For **Valentines Day** we have an add-on to your room of a surprise gift. It has several things, but includes a gift card to a local store.

We are also running a special **Girlfriends Getaway** all through the Spring (except for a few major weekends), where single occupancy rooms are discounted - the more rooms booked, the greater the discount.

Details on all specials are on the web site!

**Getaway Suggestions (but these dates fill up quickly!)**

Valentines Day: Feb 14	Fathers Day: June 17
Presidents weekend: Feb 16-19	Independence Day: July 4
St. Patrick's Day: Mar. 16-17	Labor Day: Sept 1-3
Easter weekend: Apr. 6-8	and of course, birthdays, anniversaries, Fall Foliage
Mothers Day: May 13	

**It's hard to believe**, but it is already time to begin making plans for your 2007 trip(s!) to Freeport and Brewster House. Several guests have already booked return visits for next season. In addition, there are certain dates (Camp Weekend in mid-July, College Parents' Weekend in the fall, Fall Foliage time) that are always booked a year in advance.

Please plan early, so you don't lose out on the date you wanted for your visit! **BH**

**Confirm Your 2007 AND 2008 Graduation Reservations**

We are filling up for both 2007 and 2008 Graduation weekends for the three colleges, but some people have not responded to letters asking them to confirm. Please let us know (even if you have previously booked for graduation, if you didn't book with Scott & Ruth), just so we can be sure how many rooms we have left for those who have been calling.

Thank you! **BH**
